

THE Welcome MAT

June is a season of growth and momentum, and at Habitat for Humanity Owensboro–Daviess County we see that reflected in every stage of our work. This month also gives us an opportunity to reflect on pride in our community. From volunteers working in the summer heat to donors and community partners investing in our mission, we are continually reminded that building homes is also about building hope, stability, and opportunity.

As we move deeper into summer, we are especially grateful for the support that makes it possible to advance new home construction and strengthen our neighborhood developments. Each home represents partnership and perseverance, and each family we serve is taking meaningful steps toward long-term strength and independence. Thank you for continuing to stand with us as we build homes, communities, and lasting impact across Owensboro and Daviess County.

With Gratitude,
Amanda Green
Executive Director

TRUIST

This month, our newest group of future homeowners kicked off their financial literacy journey with the first session of our seven-part Financial Literacy Workshop Series. These classes provide valuable tools and knowledge to help families prepare for the responsibilities of homeownership and build a strong financial foundation for the future.

We are incredibly grateful for our partnership with Truist Bank and their commitment to empowering our families through financial education. Thank you for investing in the success of our homeowners and helping make the dream of homeownership a reality.

CLEMMIE WOLF — Commons —

A COMMUNITY BY:

 **Habitat for Humanity**
of Owensboro/Daviess County

On June 24, Habitat for Humanity Owensboro–Daviess County proudly celebrated the groundbreaking of our newest affordable housing development alongside community partners, supporters, volunteers, and future homeowners. The event marked the beginning of an exciting new chapter as we officially broke ground on a 15-home neighborhood that will create more opportunities for local families to achieve the dream of affordable homeownership. We were also thrilled to unveil the neighborhood's official name, Clemmie Wolf Commons, a milestone that reflects the vision, collaboration, and commitment that have brought this project to life.

This development would not be possible without the incredible support of Owensboro Health, the City of Owensboro, our sponsors, donors, volunteers, and countless community members who believe in Habitat's mission. Their investment in this project is an investment in families, stability, and the future of our community. We are grateful to everyone who joined us for the celebration and to those who have worked behind the scenes to help turn this vision into reality.

As construction begins, we are reminded that Habitat homes are built through partnership. Every volunteer hour, donation, and act of support helps create opportunities for families to build strength, stability, and self-reliance through homeownership. Thank you for helping us take this important first step. We look forward to sharing updates as the neighborhood begins to take shape and welcoming future homeowners home.

Habitat for Humanity Owensboro-Daviess County was proud to participate in the annual Owensboro Soap Box Derby at Ben Hawes Park this past Saturday. Little John, great-grandson of longtime Habitat volunteer and retired Applicant Coordinator Lelia, represented Habitat's soap box car and competed in six races throughout the day.

Thank you, John, for representing Habitat so well. We hope you had a great time and look forward to next year's race!

One of our favorite days on the build site is Truss Day, and we're excited to have another successful one in the books!

We always look forward to seeing Kirby arrive with the crane. She is fantastic to work with, and we are grateful for community partners like Hook 4 Hire, who provide the equipment needed to safely lift and install these massive roof trusses.

Most importantly, we want to thank our incredible volunteers. Whether it's the heat of summer, the cold of winter, or a rainy day on the job site, they continue to show up ready to serve. Their dedication makes our work possible, and we truly believe we have the best volunteers in town. Thank you for helping us build homes, communities, and hope.

HABITAT FOR HUMANITY VOLUNTEER *Spotlight*

Charlie Reeves

If there's anyone who has a passion for Habitat's mission and everything we do, it's Charlie. He first joined Habitat as a volunteer on our construction crew four years ago, and his dedication to serving local families eventually led him to become a member of our Board of Directors.

Rain or shine, you can find Charlie out on the build site with a hammer in his hand and a smile on his face. Whether he's framing walls, helping wherever needed, or encouraging others, he is always ready to lend a hand.

Charlie's commitment and servant's heart have made a lasting impact on our organization and the families we serve. We are grateful for all he does to help build homes, communities, and hope.

Friday: 8:30 a.m.–12:00 p.m.

Completed applications will ONLY be accepted:

August 17 – August 31, 2026

JUNETEENTH

On June 19, we recognized Juneteenth, a day that commemorates the end of slavery in the United States and celebrates freedom, resilience, and hope.

At Habitat for Humanity, we believe that everyone deserves a safe, decent, and affordable place to call home. As we reflect on the significance of Juneteenth, we are reminded of the importance of creating opportunities that help individuals and families build stronger futures.

We honor this day by continuing our mission of bringing people together to build homes, communities, and hope throughout Owensboro-Daviess County.

Your support helps us build stronger communities and brighter futures. Make an impact today by donating!

The Kentucky Realtors spent part of their Summer Meeting volunteering with Habitat and helping build wall panels for Bell's future home. Bell was right there working alongside them as they helped bring her dream of homeownership one step closer to reality.

Thank you to the Kentucky Realtors for investing your time and talents to help build homes, communities, and hope.
