

# THE Welcome MAT

May 2026

As we move through May, we are reminded that building homes means building hope, stability, and stronger neighborhoods for families in our community. Thanks to the continued support of our volunteers, donors, sponsors, and community partners, we are making meaningful progress toward creating more opportunities for affordable homeownership across Owensboro-Daviess County.

This season also brings exciting growth as we continue working alongside Owensboro Health and the City of Owensboro on a transformative new housing initiative that will serve local families for years to come. We are grateful for the support and collaboration that make projects like this possible and look forward to sharing more exciting updates with our community soon.

With Gratitude,  
*Amanda Green*  
Executive Director

# Congrats!

Congratulations to Alyssa, Raven, Cheyenne, and Liberty on graduating from the Faith and Finance program! At Habitat for Humanity Owensboro-Daviess County, we believe financial literacy and responsibility are essential foundations for successful homeownership. As part of our program, all future homeowners complete the 10-week Faith and Finance course to help prepare them for long-term success and stability in their future homes.

Students at Owensboro Catholic Schools 4-6 Campus made a big impact through their "Pails for Nails" fundraiser, raising more than \$1,840 to support safe, affordable housing in our community. Ms. Borland's class led the effort with \$555.89 and earned a pizza party from Habitat for Humanity Owensboro-Daviess County. We are incredibly grateful for their generosity and support in helping build stronger communities.

A big thank you to the Daviess County High School Class of 2026 for participating in their Senior Service Project with us this month.

These seniors spent time on our campus assisting with cleanup and property maintenance, helping keep our space safe, welcoming, and well cared for.

We are grateful for their hard work and community spirit, and for their support of Habitat for Humanity Owensboro-Daviess County.

## Hospital Land Groundbreaking and Name Reveal

Join us on June 24 at 10:30 a.m. for the official groundbreaking and name reveal of the Hospital Land project, an exciting new collaboration between Habitat for Humanity Owensboro-Daviess County, Owensboro Health, and the City of Owensboro. The ceremony will take place across from the old hospital on East Parrish Avenue as we celebrate this special milestone for our community.

# HELP NEEDED

With summer approaching and temperatures rising, we are in need of bottled water for our construction crew and volunteers. Donations help keep everyone hydrated and safe while building homes in our community.

Water donations can be dropped off at the Habitat for Humanity Owensboro-Daviess County office during business hours.

Congratulations to A'Jena on signing her Letter of Intent as she takes another exciting step toward homeownership. Before reaching this milestone, future Habitat homeowners complete at least 250 sweat equity hours, demonstrating their dedication and commitment to building a brighter future. The program is challenging, but with determination, planning, and perseverance, the dream of owning a forever home becomes achievable.

## HABITAT FOR HUMANITY VOLUNTEER *Spotlight*

Vickie Osborne

For the past 25 years, Vickie Osborne has been a true cornerstone of Habitat for Humanity Owensboro-Daviess County. Through her service on the Board of Directors and as a dedicated member of the Homeowner Services Committee, Vickie has helped shape our mission and support countless families on their journey to homeownership.

Vickie's passion for serving others shines through in everything she does. Whether lending a helping hand, offering encouragement, or stepping up wherever needed, she embodies the spirit of Habitat. We are incredibly grateful for her years of commitment, compassion, and leadership.
