

Habitat
for Humanity®
of Owensboro/Daviess County

THE Welcome MAT

September 2026

September brings cooler days, changing leaves, and the beginning of a new season. As we move into fall, there is a lot happening at Habitat for Humanity Owensboro-Daviess County, and we are excited about the months ahead. Our volunteers, homeowners, donors, and community partners continue to make a difference every day.

Whether it's swinging a hammer, volunteering on a work site, making a donation, or simply sharing our mission with others, every bit of support helps us build homes and create opportunities for local families.

I'm especially grateful for the people who continue to show up and support Habitat in so many different ways. It truly takes a community working together to make this work possible. As we head into a new season, thank you for being part of our Habitat community and for helping us build stronger neighborhoods, one home at a time.

With Gratitude,

Amanda Green

Executive Director

This month, our newest applicants spent an evening learning more about mortgages and what to expect as they move closer to becoming homeowners.

Melissa, our partner at Truist Bank, walked them through the mortgage process and answered questions to help make the process a little easier to understand. They were also joined by two of our Homeowner Services Committee members, Ann and Neal, who shared their time and experience with the group. We are grateful to our community partners and volunteers who help prepare our future homeowners for this important step!

It was a BIG day at Carter Community Court! Our future homeowner, Laura, and her daughter got to help put the walls up on their new home, and the pride on their faces was shining brighter than the sun. There is something so special about watching a home take shape, but even more special when the family who will call it home gets to be part of building it.

Laura's home will also be the final home at Carter Community Court, making this milestone even more meaningful. We are so proud of all that has been built in this community and are excited to watch Laura and her daughter's home come together. We can't wait for the day they get to walk through the front door and call it home!

HABITAT FOR HUMANITY VOLUNTEER *Spotlight*

Cindra Stiff

This month, we are proud to shine the spotlight on Cindra Stiff, a longtime supporter and an important part of Habitat's work both locally and across Kentucky.

Cindra has been an integral part of Habitat for many years. She previously served as Treasurer for our local affiliate and now serves as Treasurer for Kentucky Habitat. Cindra has a true heart for giving back and continues to share her time, knowledge and experience in so many ways. Her commitment extends far beyond Habitat, as she gives generously to organizations and causes throughout our entire community.

We are incredibly grateful for Cindra's years of service, her dedication to Habitat, and all the ways she continues to give back to the community we call home.

Atmos Energy has been a longtime community partner of Habitat for Humanity Owensboro-Daviess County, and we are excited to have them continue their support as a home sponsor for our newest community, Clemmie Wolf Commons. Their partnership over the years has helped us build safe, affordable homes for local families, and we are grateful for their continued support.

Becoming a home sponsor is a meaningful investment in the future of our community. We are excited to watch Clemmie Wolf Commons take shape and create opportunities for families to build stability and put down roots. We are incredibly thankful to Atmos Energy for continuing to stand alongside Habitat and helping make this work possible.

Fueling
Safe and
Thriving
Communities.

We're proud to support our
KIDS | HEROES | NEIGHBORS

We were so fortunate to be selected as a grant recipient of the Hager Foundation this year! Danna Johnson, Executive Director of the Hager Foundation, stopped by this month to personally deliver our grant check, and we were so happy to have the opportunity to thank her for their generous support.

The Hager Foundation does so much to support organizations and families throughout our community, and we are incredibly grateful to be among the organizations they have chosen to invest in. Their generosity helps make our work possible and allows us to continue building safe, affordable homes and creating opportunities for local families. We are thankful for their partnership and for all they do to make Owensboro and Daviess County a stronger community!

Another one of our longtime supporters, Cargill, stopped by this month to spend time with our construction crew and help hang siding on one of the homes at Carter Community Court. We love having our community partners on the job site, getting their hands dirty and seeing firsthand the impact their support makes for local families. We truly cannot express how much Cargill's continued support means to Habitat and our homeowners. Their continued commitment, volunteerism, and investment in our community help us build homes and create brighter futures for local families, and we are incredibly grateful for their partnership.

This month, Joe Sublett, Housing Inspector for the City of Owensboro, and Adrienne Carrico, City Representative for the Owensboro Neighborhood Alliance, joined us to speak with our future homeowners. They shared valuable information about what it means to be a responsible homeowner and a good neighbor, including taking care of your home and understanding your role within the community.

We take great pride in preparing our families for more than just homeownership. We want them to understand the importance of being financially responsible, taking pride in their home, being a good neighbor, and investing in the community they call home. We are grateful to Joe and Adrienne for sharing their time and experience and helping our future homeowners prepare for this exciting next chapter.
