of Owensboro/Daviess County

THE Welcome MAT

July 2026

This July, as our nation celebrates its 250th birthday, we're reminded that the American dream has always been rooted in opportunity, perseverance, and the belief that every family deserves the chance to build a better future. At Habitat for Humanity

Owensboro-Daviess County, we celebrate those same ideals every time we hand a family the keys to a safe, affordable home. Each home represents hope, stability, and the beginning of a new chapter.

As we gather with family and friends this summer, I'm grateful for the community that continues to make our mission possible. Your generosity, volunteerism, and support help create lasting change for families right here in Daviess County. Thank you for celebrating with us...not just our nation's history, but the brighter futures we're building together every day.

With Gratitude,

Amanda Green

Executive Director

Congratulations to our newest homeowner, Kathy, on the dedication of Habitat for Humanity Owensboro-Daviess County's 173rd home! Reaching this milestone took years of hard work, determination, and perseverance. Kathy dedicated countless hours of sweat equity, attended homeowner education classes, and remained committed to the journey every step of the way.

For Kathy, this home represents so much more than four walls and a roof. It is a place where she can create lasting memories with her children and grandchildren, celebrate holidays, gather around the table, and enjoy the security and stability that comes with affordable homeownership. Her dedication and resilience have made this dream a reality, and we couldn't be happier for her.

Congratulations, Kathy! Thank you to the volunteers, sponsors, donors, and community partners who helped make this home possible. Together, we're not just building houses, we're building strength, stability, and brighter futures for families in our community.

HABITAT FOR HUMANITY **VOLUNTEER** *Spotlight*

Stacey Bengé

Stacey's Habitat journey began as a future homeowner. She entered our Homeownership Program, completed her sweat equity hours, and achieved her dream of homeownership in 2019.

After becoming a homeowner, Stacey wanted to help other families experience the same opportunity. She joined our Board of Directors, where she now serves as Board Secretary, and became an active member of our Homeowner Services Committee. Today, she mentors future Habitat homeowners, offering encouragement and sharing her own experience as they work toward achieving their dreams.

Stacey's story is a powerful reminder that Habitat is about more than building homes - it's about building a community of people who give back. We are grateful for Stacey's leadership, dedication, and continued commitment to our mission.

Habitat for Humanity Owensboro-Daviess County is proud to recognize Commonwealth Rolled Products as a Promise of Hope Sponsor for our new Clemmie Wolf Commons community. Their generous investment is helping lay the foundation for affordable homeownership and brighter futures for local families.

We are grateful for Commonwealth Rolled Products' commitment to strengthening our community and partnering with us to build homes, hope, and opportunity.

A sweet thank you to Nothing Bundt Cakes for supporting affordable homeownership in our community by donating 20% of their opening week sales to Habitat for Humanity Owensboro-Daviess County.

We are grateful to the Nothing Bundt Cakes team and everyone who stopped by to celebrate their grand opening and help make this donation possible. Their generosity is helping us continue to build hope...one home and one sweet treat at a time!

Recycle Cans. Build Homes.

Did you know your aluminum cans can help build affordable homes right here in our community? Every can donated to Habitat for Humanity Owensboro-Daviess County helps raise funds to support local families on their journey to homeownership.

Drop off your aluminum cans anytime at our 24/7 collection site located at 2930 W. 4th Street. It's an easy way to recycle, reduce waste, and make a lasting impact...one can at a time.
